

Bruce County Wave - Code of Conduct

The Bruce County Wave Minor Flag Rugby Club has a goal of providing children with the opportunity to learn the sport of rugby in a positive, supportive and safe environment. As members, our families will understand that we embrace the motto of *"fitness, fun and friendship"* in our summer long program. We require all participants, both children and adults, to participate with a positive attitude and an inclusive spirit. We embrace every participant, regardless of ability, experience, size or gender. Anything less will not be tolerated by our club, our coaches or our other families. Any type of bullying, profanity or harassment is unacceptable and may result in immediate removal from the playing field.
